

Dear Parent/Guardian:

We welcome your child as a Kindergarten student in the Weber School District. We are pleased to have you as a partner in our home-school team.

You are scheduled to have an appointment with \_\_\_\_\_, Kindergarten teacher, on \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, at \_\_\_\_\_ in room \_\_\_\_\_. Please bring your child with you so that he/she may get acquainted with the classroom teacher. As well as getting acquainted with the teacher, you and the teacher will be discussing and observing your child in order to set some goals for this important year in your child's life. Educational research shows that the earlier you begin with targeted interventions the more successful a child will be in school. This is a special time with your Kindergarten child. (Please do not bring other children to the conference.)

Your child will attend A.M. \_\_\_\_ P.M. \_\_\_\_ Kindergarten class. Classroom instruction for Kindergarten students begins Tuesday, August 27, 2019.

Weber School District requires a student registration form, proof of residency, and a birth certificate (bearing a seal). We request a dental and physical examination. The State requires proof of immunizations for all children entering kindergarten. We have not received the following information on your child for entrance into school:

_____ Proof of Immunization	_____ Physician's Report (Optional)
_____ Dental Report (Optional)	_____ Valid Birth Certificate
_____ Two (2) Proof of Residency	_____ Student Registration Form

We look forward to seeing you on the above scheduled date and hope to begin a great educational experience with you and your child.

Sincerely,

---

Principal
