****In addition to the Round-up, there will be fall appointments scheduled for the individual child and parents to meet their teacher. These appointments, based on registration materials received, will be mailed to each home in August.

Weber School District needs a student registration form, proof of residency, a birth certificate (bearing a seal) and a dental and physical examination (both are recommended but are optional). The State requires proof of immunization for all children entering Kindergarten. These documents may be handed in at the Round-up/Registration. All documents are due before the child can attend school in the fall.
